Hi **Personal Matters / Ex. 6**

I apologize for not getting back to you quicker. I was out of the office Friday and was sick on Monday.

I received your voice mail requesting more info and I will give you a call hopefully this afternoon or tomorrow at the latest.

I will also respond to your citizen's complaint. I know the Non-Point Source Program referred your complaint back to DNREC – but we can talk about it when I call.

Thanks for your patience.
